TO WHOMSOEVER IT MAY CONCERN

Contract for the construction of 74 meters high RCC Prilling Tower for our HDAN Plant located at K7 Plot of Talaja MIDC area, was awarded to M/s K.B.Mehta Construction Pvt. Ltd, Ahmedabad.

We are pleased to confirm that, M/s K.B.Mehta Construction have completed the entrusted job, including internal structural work, epoxy painting etc. to our satisfaction and ahead of targeted completion period, involving value of Rs 221.57 Lacs. This made them illegible for earning bonus.

During construction, M/s K.B.Mehta Construction demonstrated their expertise in efficient usage of slip-form method for making the RCC shell of the Prilling Tower, and proficiency in meticulous planning and organizing resources in time. During construction they followed all the Quality Control norms as stipulated by the Consultant. Their working at site had been accident / incidence free and adhering to the safety norms which were enforced for site work.

We wish them good luck in all their future works.
